Doncaster 18+ Team

The 18+ Service is a dedicated service for young people who meet the definition of being a 'care leaver'. The service provides each young person with a Personal Advisor to help and support them, and offers a wide range of support and information to help them make positive choices. They work with each young person to draw up a Pathway Plan that focuses on personal support, health, education, training and employment, information and guidance and finance and accommodation.
