Bridlington - The Hinge

Our main service provision is based on providing support, advice, independent living skills, living on a budget and financial and numeracy skills and training. We provide support to anyone who finds themselves in crisis or with issues they are unable to deal with due to isolation and exclusion from main stream statutory service provision. Such as, resettlement support, referrals to emergency night stops, crash pad and supported lodgings schemes, use of washing machine, kitchen and showering facilities. We can offer emergency overnight stops for 16-25 and support for those over 25.
